Star in the East

August 5, 2011

Dear Students and Parents,

My name is Ginger Statom and I am the director of the 2nd Presbyterian Youth Choir. The Youth Choir had a really great first year and I am looking forward to another year of fun singing opportunities and getting to know you all better.

I am sending this letter to you because you are either a returning member of the Youth Choir or you have been highly recommended as a prospective member. The Youth Choir leads in our 2PC Sunday morning worship services 2-3 times per semester. Being a member of this group gives you a unique opportunity to use your gifts in the service of our Lord and it is a wonderful way to show leadership among your peers.

I know that teens have particularly busy schedules and you are often overloaded with homework, other practices and social events, however there is no greater calling than that of using your talents for the glory of God. The Youth Choir requires a minimal amount of rehearsal time per week (see the schedule below), and it is a great way to begin taking on responsibility in leading the church body's worship services. It is a calling that you will find rewarding and it will help you to develop musically, emotionally, spiritually and in maturity.

The Youth Choir functions like a team – it is many people that have one common goal or product. I know there will be times when absences cannot be avoided, but I ask you to seriously consider joining us and being committed to serving with us consistently.

We will begin the new year of Youth Choir rehearsals on Wednesday, August 17th with our usual 5:00 dinner (Blue Coast Burrito is catering on the 17th) followed by our 5:30-6:15 rehearsal. I hope to see you there – and bring a friend if you know someone else who might be interested in singing!

Sincerely,
Ginger Statom
